Mission Statement:

The Purpose of the Mid-State Association of REALTORS®, in conjunction with the CT Association of REALTORS® and the National Association Of REALTORS®, is to acknowledge our members as our most important asset, to be responsible to their individual needs, to enhance the ability and opportunities for our members to conduct their business successfully and ethically, to give back to the communities in which we work and to promote the preservation of the right to own, transfer and use real property.

The Mid-State Association of REALTORS® is one of 21 local REALTOR® associations in the state of Connecticut. We are a non-profit organization whose purpose is to educate and provide our REALTOR® members with the services that they need to be an active Real Estate Agent in today's busy Market. We provide Continuing Education classes, Products, Networking opportunities and Conflict Resolution Services for our approximately 500 members from the Central CT area.

We firmly believe in our members giving back to the communities that they work in. We collect Easter Baskets to donate to the Plainville Food Pantry each Spring and in 2007, we started a Backpacks collection for elementary school aged kids in New Britain filled with supplies and host "Christmas Wishes for Kids" parties each Holiday time in Southington and Bristol.

In total, our efforts benefited over 400 kids in 2009!!!

This Golf Tournament is our major fundraiser for these events.
